## Z Y G N A G E

ZYGNAGE was created in 2017 to give retailers the ultimate flexibility in displaying advertising and information by eliminating the logistics around traditional prints. The ZYGNAGE real LCD Poster is available in outstanding sizes and was specifically designed by ScreenSource GmbH for retail applications.

Founded in Germany by Carsten and Matthias Hermann, ScreenSource GmbH manufactures and distributes unique high end A/V solutions all over the world relying on 10+ years experience in the industry.
